**Multigroup Claimants' Motion To Direct  
Licensing Division To Comply With February 4, 2021 Order**

On February 4, 2021, the Judges issued their *Order Modifying Order Granting Multigroup Claimants' Third Motion for Final Distribution of 2010-2013 Satellite Royalty Funds*. Therein, the Judges noted that:

"The Licensing Division has informed the Judges that the amounts retained in the 2010- 2013 satellite royalty funds is insufficient to make full payment to MGC of the amounts to which it is entitled."

Id.

Specifically, the Judges relayed that a shortfall existed of \$7,320.17, and ordered the Licensing Division to:

"take steps to invoke the repayment agreements that bind the allocation phase parties in order to recover the overpayments that those parties have received. Once the Licensing Division has recovered the overpayments, with interest, the Judges will order final distribution of those amounts to MGC."

Id.

Almost six months have passed since issuance of the order, ample resources exist for repayment, yet to Multigroup Claimants' knowledge, no steps have been taken by the Licensing

Division to arrange for the repayment of such amounts. While not an extraordinary amount, Multigroup Claimants seeks to close its books on such matter, which requires the cooperation of the Licensing Division.

To that end, Multigroup Claimants moves the Judges to direct the Licensing Division to immediately comply with the Judges' order of February 4, 2021, no later than a specific date in the very near future selected by the Judges.

Respectfully submitted,

July 23, 2021
